

Chromebook Insurance Form
F. W. Holbein Middle School

I choose the following for my child's Chromebook (please check one box):

| | | |
|--|--|--|
| | School District Insurance Plan Program | I choose to pay for the \$35.00(cash/exact change please) annual insurance plan to the school district for my child to have the ability to take home a Chromebook. I understand that the Chromebook Insurance Plan will repair or replace the device one time with no deductible. I also understand that this insurance plan covers accidental damage. It does NOT cover loss, theft, damage by flood/fire or intentional destruction. |
| | Leave the Device at School | I choose to have my child leave their district Chromebook at school at the end of each day. We have our own technology device at home that our child may use for their school assignments. Although we are not responsible for accidental damage through this option, we do understand that we are still liable for intentional damage/abuse of the Chromebook. |

Additional Information: In cases of theft, vandalism, and other criminal acts, a police report, or in the case of flood/fire, a flood/fire report must be filed by the parent or guardian. A copy of the police/flood/fire report must be provided to the school district in a timely manner.

Intentional or Repetitive Damage or Abuse: Parent/guardians are responsible for full payment of intentional damages/abuse to Chromebooks. The School District's insurance program does not cover intentional damage/abuse of the device.

Typical repair & replacement costs listed below:

- Replace entire Chromebook \$289
- Broken screen \$90
- Broken keyboard \$50
- Liquid damage \$200
- Broken casing including hinges \$100
- Power charger \$30
- Replace protective case \$20
- Broken touchpad \$50

My child and I have reviewed policies 5513, Care of School Property, and 7523, School District Provided Technology Devices to Students. These policies can be found on our webpage www.mtholly.k12.nj.us
